

## Licensed Therapists - LCSW, LSW, LPC, LMFT – per diem

StrongMinds America is looking for dedicated and skilled mental health professionals to join our internationally recognized, award-winning team!

Website: [www.strongmindsamerica.org](http://www.strongmindsamerica.org)

This is a perfect opportunity for an early-career professional to grow alongside the new program of an established mental health organization or a seasoned mental health professional looking for a flexible work schedule.

This per-diem position that will facilitate in-person & remote group therapy sessions for a variety of populations, including adolescents, youth, women, and aging adults. Clinicians will be assigned to work with a population in which aligns with career competencies and experience.

-  Valid LCSW, LSW, LPC, LMFT (NJ)
-  BIPOC women and youth-focused clinical services
-  Open to early career, experienced & culturally competent clinicians
-  Flexible schedule but daytime and some Saturdays may required
-  **Fluency in Spanish a huge plus!**

### THE STRONGMINDS DIFFERENCE

-  Extremely competitive compensation
-  **Clinical supervision provided**
-  Paid clinical training and opportunity for advancement

### RESPONSIBILITIES

-  Responsible for assessment, planning, organizing, and delivery of depression treatment in coordination with allied organizations.
-  Responsible for facilitating group counseling sessions utilizing the Interpersonal Psychotherapy (IPT-G) model as well as single session interventions, including prescreening, intake, and post-therapy assessment.
-  Serve as liaison to community-based organization and agencies as appropriate.
-  Provide accurate, professionally written clinical documentation (progress notes, assessments) in accordance with professional standards, policies, and as directed by supervisor.
-  Identify underlying trauma or other serious mental health issues and provide necessary information and referrals.
-  Work to develop necessary relationships with local agencies and resources to facilitate referrals.

Support awareness-building and educational activities initiated by the organization, including leading or participating in student or community mental health presentations, panel discussions, tabling events, and webinars.

## **PREFERENTIAL CONSIDERATION**

- Candidate must have current NJ certification or license in good standing.
- Programmatic experience working alongside and empowering vulnerable populations.
- Strong cultural competency.
- Minimum 3 years supervised social work experience.
- Experience with assessment, treatment planning, and crisis intervention.
- Experience in group modality.
- Ability to work as part of a professional and efficient mental health team and to represent the organization in the community.

## **COMPENSATION**

This is a per diem role for approximately 7-10 hours per week at **\$55-65** per hour. This is a 1099 independent contractor position.

## **APPLICATION OR INQUIRIES**

Please send resume and letter of introduction or address question to Susan Ryan  
[sryan@strongminds.org](mailto:sryan@strongminds.org)

Applications without a letter of introduction will not be considered.

## **ABOUT**

*StrongMinds America (SMA) is the US-based program branch of StrongMinds, an award-winning international organization that has been recognized in the global [media](#) for its innovative approach to mental health care. Since its beginning in 2013, StrongMinds has helped lift nearly 200,000 African women and youth out of depression. Our treatment model has been recognized by the World Health Organization, Global Innovation Fund, Happier Lives Institute and the organization has been profiled by the BBC, Bloomberg, World Economic Forum, and the Stanford Innovation Review among others. In 2022, StrongMinds Founder, Sean Mayberry, received Honorary Tribute from the [Pardes Humanitarian Prize](#) for advancing the understanding of mental health worldwide.*
